

MANUAL TRANSMITTAL

Department of the Treasury
Internal Revenue Service

2.100.1

NOVEMBER 7, 2023

EFFECTIVE DATE

(11-07-2023)

PURPOSE

- (1) This obsoletes IRM 2.100.1, Integrated Process Management, Integrated Process Management Policy.

MATERIAL CHANGES

- (1) The material in IRM 2.100.1 Integrated Process Management (IPM) Policy is obsolete. IRM 2.100.1 is no longer in existence due to the retirement of the Technology Process Asset Library (IT PAL) in 2021.

EFFECT ON OTHER DOCUMENTS

IRM 2.100.1, Integrated Process Management Policy, dated October 3, 2019 is obsolete as of the date of publishing. IRM 1.1.12.7.5.2 will be updated to reflect that IPM has been disbanded and the processes are no longer being followed. The owners of IRMs referencing 2.100.1 were notified to remove references to this IRM section.

AUDIENCE

This policy is applicable to all information Technology (IT) organizations, contractors, and other stakeholders having responsibility for developing IT processes.

Kaschit Pandya
Acting, Chief Information Officer
