

MANUAL TRANSMITTAL

Department of the Treasury
Internal Revenue Service

10.2.2

OCTOBER 15, 2015

EFFECTIVE DATE

(10-15-2015)

PURPOSE

- (1) This transmits obsolete Internal Revenue Manual (IRM) 10.2.2 *Physical Security Compliance Reviews*. It replaces IRM 10.2.2, dated May 2, 2013.

MATERIAL CHANGES

- (1) Compliance Reviews have been rescinded which is explained in the memorandum for PSEP Area Directors and PSEP Territory Managers signed by Kevin Q. McIver dated August 8, 2014. The memo explains the requirement for conducting compliance reviews is rescinded based on a determination that there is:
 - a. redundancy in the activities and documentation related to the risk assessment and compliance review programs.
 - b. sufficient evaluative tools which address the level of compliance with physical security programs.
 - c. no direct impact to current GAO and /or TIGTA audits and subsequent findings and
 - d. no impact to the protection of IRS facilities.
- (2) Any IRM section that addresses compliance reviews or references to IRM 10.2.2 should reflect this change when next revised.

EFFECT ON OTHER DOCUMENTS

This obsoletes IRM 10.2.2 dated May 2, 2013.
