Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms.** We incorporate all significant changes to forms posted with this coversheet. However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions are subject to OMB approval before they can be officially released, so we post drafts of them until they are approved. Drafts of instructions and pubs usually have some additional changes before their final release. Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). Also see [IRS.gov/Forms](https://www.irs.gov/Forms).

Most forms and publications have a page on IRS.gov: [IRS.gov/Form1040](https://www.irs.gov/Form1040) for Form 1040; [IRS.gov/Pub501](https://www.irs.gov/Pub501) for Pub. 501; [IRS.gov/W4](https://www.irs.gov/W4) for Form W-4; and [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA) for Schedule A (Form 1040), for example, and similarly for other forms, pubs, and schedules for Form 1040. When typing in a link, type it into the address bar of your browser, not a Search box on IRS.gov.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or pubs at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). Include “NTF” followed by the form or pub number (for example, “NTF1040”, “NTFW4”, “NTF501”, etc.) in the body of the message to route your message properly. We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product, but we will review each “NTF” message. If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

Instructions for Participant

This information is submitted to the IRS by the trustee of your health savings account (HSA), Archer medical savings account (MSA), or Medicare Advantage MSA (MA MSA).

Generally, contributions you make to your Archer MSA are deductible. Employer contributions are excluded from your income and aren't deductible by you. If your employer makes a contribution to one of your Archer MSAs, you can't contribute to any Archer MSA for that year. If you made a contribution to your Archer MSA when your employer has contributed, you can't deduct your contribution, and you will have an excess contribution. If your spouse's employer makes a contribution to your spouse's Archer MSA, you can't make a contribution to your Archer MSA if your spouse is covered under a high deductible health plan that also covers you.

Contributions that the Social Security Administration makes to your MA MSA aren't includible in your gross income nor are they deductible. Neither you nor your employer can make contributions to your MA MSA.

Generally, contributions you or someone other than your employer makes to your HSA are deductible on your tax return. Employer contributions to your HSA may be excluded from your income and aren't deductible by you. You and your employer can make contributions to your HSA in the same year.

See Form 8853 and its instructions or Form 8889 and its instructions. Any employer contributions made to an Archer MSA are shown on your Form W-2 in box 12 (code R); employer contributions made to an HSA are shown in box 12 (code W). For more information, see Pub. 969.

Participant's taxpayer identification number (TIN). For your protection, this form may show only the last four digits of your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN). However, the issuer has reported your complete TIN to the IRS.

Account number. May show an account or other unique number the trustee assigned to distinguish your account.

Box 1. Shows contributions you made in the calendar year and through April 15 of the subsequent year to your Archer MSA. You may be able to deduct this amount on your Form 1040 or 1040-SR. See the Instructions for Form 1040.

Note: The information in boxes 2 and 3 is provided for IRS use only.

Box 2. Shows the total contributions made to your HSA or Archer MSA in the calendar year shown on this form. See Pub. 969 for who can make contributions. This includes qualified HSA funding distributions (trustee-to-trustee transfers) from your IRA to fund your HSA. The trustee of your MA MSA isn't required to but may show contributions to your MA MSA.

Box 3. Shows the total HSA or Archer MSA contributions made in the subsequent year for the calendar year shown on this form.

Box 4. Shows any rollover contribution from an Archer MSA to this Archer MSA in the calendar year shown on this form or any rollover from an HSA or Archer MSA to this HSA. See Form 8853 or Form 8889 and their instructions for information about how to report distributions. This amount isn't included in box 1, 2, or 3.

Box 5. Shows the fair market value of your HSA, Archer MSA, or MA MSA at the end of the calendar year shown on this form.

Box 6. Shows the type of account that is reported on this Form 5498-SA.

Other information. The trustee of your HSA, Archer MSA, or MA MSA may provide other information about your account on this form.

Note: Don't attach Form 5498-SA to your income tax return. Instead, keep it for your records.
