Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and publications for filing. We do **not** release draft forms until we believe we have incorporated all changes (except when explicitly stated on this coversheet). However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions generally are subject to OMB approval before they can be officially released, so we post only drafts of them until they are approved. Drafts of instructions and publications usually have some changes before their final release.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication has a page on IRS.gov with a friendly shortcut. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Pub. 501 page is at [IRS.gov/Pub501](https://www.irs.gov/Pub501); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040/SR) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not a Search box.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product.

If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

Future Developments

For the latest information about developments related to Form 8328 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/Form8328.

Purpose of Form

Form 8328 is filed by the issuing authority of private activity bonds to elect to carry forward its unused volume cap for one or more carryforward purposes (see section 146(f)). If the election is made, bonds issued with respect to a specified carryforward purpose are not subject to the volume cap under section 146(a) during the 3 calendar years following the calendar year in which the carryforward arose, but only to the extent that the amount of such bonds does not exceed the amount of the carryforward elected for that purpose.

Also, Form 8328 is used by a state to carry forward the unused volume cap under section 142(k). A state may elect to carry forward an unused limitation for any calendar year for 3 calendar years following the calendar year in which the unused limitation arose under rules similar to the rules of section 146(f). However, this election can only be made for the issuance of qualified public educational facility bonds. For definitions related to qualified public educational facilities, see section 142(k).

When To File

Form 8328 must be filed by the earlier of: (1) February 15 of the calendar year following the year in which the excess amount arises, or (2) the date of issue of bonds issued pursuant to the carryforward election.

Once Form 8328 is filed, the issuer may not revoke the carryforward election or amend the carryforward amounts shown on this form.

Errors on this form cannot be corrected through an amended filing. The issuer may file a Voluntary Closing Agreement Program (VCAP) request to correct mathematical, typographical, and similar errors. See Notice 2008-31, 2008-11 I.R.B. 592, and IRM 7.2.3 for more information about VCAP.

Where To File

File Form 8328 with the Department of the Treasury, Internal Revenue Service Center, Ogden, UT 84201.
