Impact America HomeFirst Program https://www.impactamerica.com

HomeFirst is a financial wellness initiative that empowers individuals and families on their path toward homeownership readiness or foreclosure prevention—all at no cost to participants.

SERVICES

HomeFirst pairs participants with trained financial coaches who provide personalized guidance tailored to each individual's goals. Through one-on-one sessions, participants work to:

- Build or repair credit
- Create and manage a realistic budget
- Strengthen savings habits
- Prepare for the homebuying process or avoid foreclosure
- Access local and regional resources

WHO CAN BENEFIT

The program is ideal for individuals or families who:

- Are interested in becoming first-time homeowners
- Are at risk of foreclosure
- Want to improve their overall financial wellness

WHY PARTNER WITH HOMEFIRST

Your organization plays a vital role in connecting community members to resources that support long-term stability. By referring clients to HomeFirst, you will help extend their access to financial education and support, contributing to stronger, more financially resilient households in our region.
