

SUBJECT LINE: Formal Notification that Appropriations are Extended Through January 30, 2026

Internal Revenue Service (IRS) Contractor:

You have been identified as the point of contact for your company for an active contract with the Department of the Treasury.

On November 12, 2025, appropriations provided under the [Public Law 119–4, H.R.5371 – “Continuing Appropriations, Agriculture, Legislative Branch, Military Construction and Veterans Affairs, and Extensions Act, 2026”](#), were further amended and extended through January 30, 2026.

This action ends the partial government shutdown that went into effect on October 1, 12:00 AM. The current continuing resolution reopens the government and provides funding through January 30, 2026. If you were previously notified to suspend contract services, please resume those services at this time.
