

## **Corrected Submission 2 Narratives – (Test Scenarios 2C-0, 2C-2)**

This scenario is designed to correct an error identified by the transmitter or issuer in the previously submitted Scenario 2-2. This scenario will be submitted as a correction record. Populate the Corrected Unique Record ID (CURID) with the Unique Record ID (URID) that the IRS returned in the “Accepted Acknowledgement” for Scenario 2.

Prerequisite: You must have an “Accepted Acknowledgement” for the previously submitted scenario 2-2 before you can submit the Corrected Submission 2C.

Instructions: Prepare a corrected submission for Worktesttwo.

### **Correction**

**Correction to Scenario 2-2:** It was previously reported that Paulette and Rene Willbert were covered by an individual market health insurance policy from Worktesttwo, for at least one day per month, during the months of June through December inclusive. It has now been determined that they were not covered by this plan in the month of June. They were instead covered by this plan for at least one day per month during the months of July through December inclusive.

### **Submission Narrative**

Worktesttwo (Employer Identification Number (EIN) 000000215), 2277 Holly Place, Washington, DC, 20022 is filing this submission.

Fred Lincoln is the point of contact and can be contacted at 5555372511.

Signature, Title and Date on the signature line should be blank.

### **General Information for Forms 1095-B**

Covered individuals should be listed alphabetically by their first name. Note: This constraint applies only to the AATS test environment.

**Original Submission Narrative for 2-2**

Paulette Willbert (SSN 000000209) was covered by an individual market health insurance policy from Worktesttwo. This policy also included coverage for Rene Willbert (SSN 000000210). Paulette and Rene Willbert were covered for at least one day per month during the months of June through December inclusive.

Paulette and Rene Willbert reside at 914 Maple Street, Paducah, KY, 42003.
