Corporation Source Book of Statistics of Income, 1992

NOTES

* Estimate should be used with caution because of the small number of sample returns on which it is based.

** In order to avoid disclosure of information for specific corporations, these data have been combined with data in a lower asset size class.

*** In order to avoid disclosure of information for specific corporations, these data have been deleted. Data are included in appropriate totals.

✔ This asset size class includes data from one or more higher size classes. See note number 3 below for further explanation.

(-0) Less than $500 per return.

1. Income year 1992 covers corporation accounting periods ended July 1992 through June 1993.

2. Size of total assets are in thousands of dollars, except for the third asset column which should be read as $1 under $100,000.

3. Detail may not add to totals due to rounding and deletion of data. The statistics at the major group level were derived by adding the appropriate minor industries after combinations of asset size classes had been made. The statistics of industrial divisions and the U.S. Totals were similarly derived by adding the appropriate major groups and industrial divisions, respectively. These differences are particularly evident for the Net Income, Total lines when comparing identical industries between the two sections ("Returns With and Without Net Income" and "Returns With Net Income").

4. When data are the same for minor and major industries, only the major industry is shown. When data are the same for minor, major and industrial division industries, only the industrial division is shown.

5. For 1992, we have included a separate section for Form 1120S, Returns with and without net income by Industrial Divisions. For more information on Form 1120S returns, See Gill, Amy M., "S Corporation Returns, 1992," *Statistics of Income Bulletin*, Spring 1995, Volume 14, Number 4.

6. See the report STATISTICS OF INCOME--1992, CORPORATION INCOME TAX RETURNS, for a discussion of these statistics including:

    Changes in law
    Description of the sample and limitations of the data
    Explanation of terms
    Facsimilies of corporation income tax return forms, 1992
