Dear :

This letter responds to your request dated July 15, 2022, submitted on behalf of \underline{X} , by its authorized representatives, requesting an extension of time under § 301.9100-3 of the Procedure and Administration Regulations for \underline{X} to file an election under § 301.7701-3 to be classified as an association taxable as a corporation for federal tax purposes.

FACTS

Based on the information submitted, \underline{X} was formed under the laws of \underline{State} as a corporation on $\underline{Date\ 1}$. On $\underline{Date\ 2}$, \underline{X} converted to a limited liability company under \underline{State} law. \underline{X} represented that after the conversion, \underline{X} 's classification for federal tax purposes was disregarded as an entity separate from its owner, but that \underline{X} intended to be classified as an association taxable as a corporation for federal tax purposes. However, \underline{X} failed to timely to file a Form 8832, Entity Classification Election, electing to be classified as an association taxable as a corporation effective Date 2.

LAW AND ANALYSIS

Section 301.7701-3(a) provides that a business entity that is not classified as a corporation under § 301.7701-2(b)(1), (3), (4), (5), (6), (7), or (8) (an eligible entity) can elect its classification for federal tax purposes. An eligible entity with a single owner can elect to be classified as an association or to be disregarded as an entity separate from its owner.

Section 301.7701-3(b)(1) provides that unless an entity elects otherwise, a domestic eligible entity is: (i) a partnership if it has two or more members; or (ii) disregarded as an entity separate from its owner if it has a single owner.

Section 301.7701-3(c)(1)(i) provides that an eligible entity may elect to be classified other than as provided under § 301.7701-3(b) by filing Form 8832 with the service center designated on Form 8832.

Section 301.7701-3(c)(1)(iii) provides that this election made under § 301.7701-3(c)(1)(i) will be effective on the date specified by the entity on Form 8832 or on the date filed if no such date is specified on the election form. The effective date specified on Form 8832 cannot be more than 75 days prior to the date on which the election is filed and cannot be more than 12 months after the date on which the election is filed.

Sections 301.9100-1 through 301.9100-3 provide the standards the Commissioner will use to determine whether to grant an extension of time to make the election. Section 301.9100-2 provides the rules governing automatic extensions of time for making certain elections. Section 301.9100-3 provides the standards the Commissioner will use to determine whether to grant an extension of time for regulatory elections that do not meet the requirements of § 301.9100-2.

Section 301.9100-3(a) provides that requests for relief subject to § 301.9100-3 will be granted when the taxpayer provides the evidence (including affidavits described in § 301.9100-3(e)) to establish to the satisfaction of the Commissioner that (1) the taxpayer acted reasonably and in good faith, and (2) the grant of relief will not prejudice the interests of the Government.

CONCLUSION

Based solely on the facts submitted and representations made, we conclude that \underline{X} has satisfied the requirements of §§ 301.9100-1 and 301.9100-3. As a result, \underline{X} is granted an extension of time of 120 days from the date of this letter to file a Form 8832 with the appropriate service center to elect to be treated as an association taxable as a corporation for federal tax purposes effective <u>Date 2</u>. A copy of this letter should be attached to the Form 8832.

This ruling is contingent on \underline{X} filing, within 120 days of this letter, all required returns for all open years consistent with the requested relief. A copy of this letter should be attached to any such returns.

Except as expressly provided herein, we express or imply no opinion concerning the tax consequences of the facts of this case under any other provision of the Code and the regulations thereunder. In addition, § 301.9100-1(a) provides that the granting of an extension of time for making an election is not a determination that the taxpayer is otherwise eligible to make the election.

The ruling contained in this letter is based upon information and representations submitted by the taxpayer and accompanied by a penalty of perjury statement executed by an appropriate party. While this office has not verified any of the material submitted in support of the ruling request, it is subject to verification on examination.

This ruling is directed only to the taxpayer requesting it. Section 6110(k)(3) provides that it may not be used or cited as precedent.

In accordance with the Power of Attorney on file with this office, a copy of this letter is being sent to \underline{X} 's authorized representatives.

Sincerely,

Associate Chief Counsel (Passthroughs & Special Industries)

/s/ Margaret Burow
