LEGEND

X =

Country =

Date 1 =

Dear :

This letter is in response to your request dated September 16, 2024, submitted on behalf of X by its authorized representative, requesting an extension of time under §301.9100-3 of the Procedure and Administration Regulations to file an election under § 301.7701-3 to be treated as a partnership for U.S. federal tax purposes.

FACTS

The information submitted states that X was organized under the laws of Country on Date 1. X represents that X intended to be classified as a partnership for federal tax purposes effective Date 1. However, X inadvertently failed to timely file a Form 8832, Entity Classification Election, to elect to be treated as a partnership effective Date 1.

LAW AND ANALYSIS

Section 301.7701-3(a) provides, in part, that a business entity that is not classified as a corporation under § 301.7701-2(b)(1), (3), (4), (5), (6), (7), or (8) (an eligible entity) can elect its classification for federal tax purposes as provided in § 301.7701-3. An eligible entity with at least two members can elect to be classified as either an association (and

thus a corporation under § 301.7701-2(b)(2)) or a partnership, and an eligible entity with a single owner can elect to be classified as an association or to be disregarded as an entity separate from its owner.

Section 301.7701-3(b)(2)(i) provides that, except as provided in § 301.7701-3(b)(3), unless the entity elects otherwise, a foreign eligible entity is — (A) a partnership if it has two or more members and at least one member does not have limited liability; (B) an association if all members have limited liability; or (C) disregarded as an entity separate from its owner if it has a single owner that does not have limited liability. Section 301.7701-3(b)(2)(ii) provides that, for purposes of § 301.7701-3(b)(2)(i), a member of a foreign eligible entity has limited liability if the member has no personal liability for the debts of or claims against the entity by reason of being a member.

Section 301.7701-3(c)(1)(i) provides that an eligible entity may elect to be classified other than as provided under § 301.7701-3(b), or to change its classification, by filing Form 8832 with the appropriate service center.

Section 301.7701-3(c)(1)(iii) provides that an election made under § 301.7701-3(c)(1)(i) will be effective on the date specified by the entity on Form 8832 or on the date filed if no such date is specified. The date specified on Form 8832 cannot be more than 75 days prior to the date on which the election is filed and cannot be more than 12 months after the date on which the election is filed.

Section 301.9100-1(c) provides that the Commissioner may grant a reasonable extension of time to make a regulatory election, or a statutory election (but no more than 6 months except in the case of a taxpayer who is abroad), under all subtitles of the Internal Revenue Code (Code) except subtitles E, G, H, and I. Section 301.9100-1(b) provides that the term “regulatory election” includes an election whose due date is prescribed by a regulation published in the Federal Register.

Sections 301.9100-1 through 301.9100-3 provide the standards the Commissioner will use to determine whether to grant an extension of time to make an election. Section 301.9100-2 provides the standards the Commissioner will use to determine whether to grant an automatic extension of time for making certain elections. Section 301.9100-3 provides the standards the Commissioner will use to determine whether to grant an extension of time for regulatory elections that do not meet the requirements of § 301.9100-2.

Under § 301.9100-3, a request for relief will be granted when the taxpayer provides evidence (including affidavits described in § 301.9100-3(e)) to establish to the satisfaction of the Commissioner that the taxpayer acted reasonably and in good faith, and the grant of relief will not prejudice the interests of the Government.

CONCLUSION

Based solely on the information submitted and the representations made, we conclude that X has satisfied the requirements of §§ 301.9100-1 and 301.9100-3. As a result, X is granted an extension of time of 120 days from the date of this letter to file a Form 8832 with the appropriate service center and elect to be classified as a partnership for federal tax purposes, effective Date 1. A copy of this letter should be attached to the Form 8832.

This ruling is contingent on X and the owners of X filing within 120 days of this letter all required returns for all open years consistent with the requested relief. These returns may include, but are not limited to, the following forms: (i) Forms 5471, Information Return of U.S. Persons With Respect to Certain Foreign Corporations, (ii) Forms 8865, Return of U.S. Persons With Respect to Certain Foreign Partnerships, and (iii) Forms 8858, Information Return of U.S. Persons With Respect to Disregarded Entities, such that these forms reflect the consequences of the relief granted in this letter. A copy of this letter should be attached to any such returns.

If applicable, the election to classify X as a partnership effective Date 1 is disregarded for purposes of determining the amounts of all section 965 elements of all United States shareholders of X if the election otherwise would change the amount of any § 965 element of any such United States shareholder. See § 1.965-4(c)(2) of the Income Tax Regulations.

Except as specifically set forth above, we express or imply no opinion concerning the federal tax consequences of the facts described above under any other provision of the Code and the regulations thereunder. In addition, § 301.9100-1(a) provides that the granting of an extension of time for making an election is not a determination that the taxpayer is otherwise eligible to make the election.

The ruling contained in this letter is based upon information and representations submitted by the taxpayer and accompanied by a penalty of perjury statement executed by an appropriate party. While this office has not verified any of the material submitted in support of the ruling request, it is subject to verification on examination.

This ruling is directed only to the taxpayer requesting it. Section 6110(k)(3) of the Code provides that it may not be used or cited as precedent.
