A message about your S corporation election

We revoked your election to be treated as an S corporation

We revoked your election to be treated as an S corporation beginning March 15, 2016.

What you need to know

- If the effective date is different from the date you requested on your notification of revocation, it's because you filed your request late. If you make a request for revocation after the 15th day of the third month of the tax year to which it applies, we treat the request as though you made it for the next year. If you indicated a prospective date in the request for revocation, but you made your request after the effective date, we treat the request as though you made it for the next year.
- If you have questions, call us at the phone number shown above. If you prefer, you can write to us at the address shown above. Fill out the contact information section, detach it, and send it to us with any correspondence or documentation.
